### PRESS RELEASE

#### SPONSORING ORGANIZATIONS AND REPRESENTATIVES

AMERICAN ACADEMY OF NEUROLOGY/  
AMERICAN SOCIETY OF NEUROIMAGING  
Andrei V. Alexandrov, MD, RVT  
Charles H. Tegeler, MD

AMERICAN COLLEGE OF CARDIOLOGY  
Heather Gornik, MD, RPVI  
Michael R. Jaff, DO, RPVI  
*President-elect*

AMERICAN INSTITUTE OF  
ULTRASOUND IN MEDICINE  
Phillip J. Bendick, PhD, RVT  
*Secretary*  
Laurence Needleman, MD  
*Vice President*

AMERICAN SOCIETY OF  
ECHOCARDIOGRAPHY  
Robert Eberhardt, MD, RVT  
Joy R. Peterson, RVS, RVT

JOINT SECTION ON CEREBROVASCULAR  
SURGERY / AMERICAN ASSOCIATION OF  
NEUROLOGICAL SURGEONS AND  
CONGRESS OF NEUROLOGICAL SURGEONS

SOCIETY FOR CLINICAL VASCULAR SURGERY  
Alan M. Dietzek, MD, RVT  
Steven A. Leers, MD, RVT

SOCIETY FOR VASCULAR MEDICINE  
Emile R. Mohler, III, MD  
Thom Rooke, MD, RVT  
*Immediate Past-President*

SOCIETY FOR VASCULAR SURGERY  
Ali F. AbuRahma, MD, RVT  
Michael Lilly, MD, RVT

SOCIETY FOR VASCULAR ULTRASOUND  
Kathleen A. Carter, BSN, RN  
Melissa A. Vickery, LPN-B, RVT

SOCIETY OF DIAGNOSTIC  
MEDICAL SONOGRAPHY  
Steven J. Bernhardt, RDMS, RVT  
Terence N. Needham, RVT

SOCIETY OF INTERVENTIONAL RADIOLOGY  
James F. Benenati, MD  
*President*  
Kenneth Rholl, MD, RVT

SOCIETY OF RADIOLOGISTS IN ULTRASOUND  
Carol B. Benson, MD  
Beverly Hashimoto, MD

EX-OFFICIO MEMBER  
Rita Shugart, RN, RVT

CEO  
Sandra L. Katanick, CAE

TECHNICAL MANAGER  
Marge Hutchisson, RVT, RDMS

May 4, 2010

**Surgical Associates of Palm Beach County, Vascular Laboratory** has attained recognition for its commitment to providing a high level of patient care and quality testing for the diagnosis of vascular disease. The facility achieved accreditation by the Intersocietal Commission for the Accreditation of Vascular Laboratories (ICAVL).

Cardiovascular disease is the leading cause of death in the United States, costing society over 83.7 billion dollars each year in health services, medications and lost work time due to disability. Stroke, a disorder of the blood supply to the brain, is the third leading cause of death and disability in this country, with 500,000 new strokes occurring annually.

One American dies every 32 seconds of cardiovascular disease, disorders of the heart and blood vessels. Each year, 2 million people in the United States alone develop deep vein thrombosis – blood clots in the veins. This affliction becomes life threatening for 500,000 of those people when the blood clot breaks loose and travels to the lungs. Early detection of these life-threatening vascular diseases is possible through the use of noninvasive vascular testing techniques performed within vascular laboratories.

**Surgical Associates of Palm Beach County, Vascular Laboratory** located in Boca Raton, FL, is one of a growing number of vascular laboratories in the United States, Canada and Puerto Rico to meet or exceed the ICAVL standards for noninvasive vascular testing.

During the accreditation process, every aspect of the laboratory's daily operations and its impact on the quality of health care provided to patients is assessed and reviewed. While completing the application, laboratories are required to identify and correct potential problems, revising protocols and validating quality assurance programs.

Participation in the accreditation process demonstrates the laboratory's attention to a high level of patient care and quality testing. ICAVL accreditation is valid for a period of three years.

The ICAVL is a non-profit organization established with the support of eleven medical societies including physicians, technologists and sonographers that represent medical specialties including cardiology, neurology, radiology, vascular medicine, vascular surgery, neurosurgery, internal medicine and biology.

The ICAVL is a division of IAC
